FUNDRAISING

World Book Day—Thursday 1st March

Children to dress as their favourite character or author — £1 donation to school funds. As well as getting dressed up the children and adults should bring their favourite book into school to participate in a 'whistle stop book reading challenge'. This consists of a bell ringing at various times during the day with everyone stopping to read, a 5 minute allocation will be given for everyone in school to be engrossed in their favourite story.

Sport Relief Week—17th—23rd March

Each day we will hold an organised sport event and on Thursday every class Years 1—6 will take part in a Clubbercise session. On this day we would ask your children to dress up in any 'sporty' outfit and bring £1 for Sport Relief, of which 100% of contributions will be donated to this very worthwhile charity. Please ensure your child has their PE kit with them every day this week.

Children's Easter Celebrations Wednesday 21st March

REMINDERS

Attendance

It is vital that children attend school every day. May I remind you that the school does not authorise holidays during term time. The government has now implemented fines for parents who take children out of school for holidays. We will continue to send out letters to all parents whose children fall below our target attendance of 96%, however, please don't worry unnecessarily if they have been off for a particular illness, as long as you've kept the school fully informed, this is just another way of keeping a track of all individuals attendance performance. If we can help you in any way with your child's attendance please do not hesitate to contact Mrs Reed at the main office.

Credit Union Saving

Many children are still saving regularly with the Credit Union, if you would like your child to join please collect a form from the office. Please bring monies into School on a Wednesday.

Valuables

School cannot accept responsibility for valuables brought in by children, if something is expensive or too precious to be lost, please leave it at home.

School bags

There is limited space for children to store bags and coats in school (1 peg each), therefore they should only bring in 1 backpack/bag to carry books, packed lunch box etc (sorry, no handbags- these are inappropriate for school and are taking up too much space).
